

# Pleasure and Pain

## Gemini Syndrome

Infinite  
The ultimate expression of who I am  
Incredulous  
The barren definition of a dying man  
Presumptuous  
To assume that a tomb is not the body you™re walking in  
In all of us  
Is a sin that begins and doesn™t end until we siphon the last breath.

I am alive inside of your truth  
I am your proof

We are all the light of the sun and the moon  
And we will be the same as one  
You are just a reflection of all that you see  
And you are always alive in me  
We are only one in the same  
In pleasure and pain

Permissive  
The fatal flaw of a forgiving God  
Dismissive  
Reactionary to all the laws above  
Reverse it  
Into the wake of mistakes and see the cosmos exploding  
Deserve it  
In the land of the sages we render the verdict

I am alive inside of your truth  
I am your proof

We are all the light of the sun and the moon  
And we will be the same as one  
You are just a reflection of all that you see  
And you are always alive in me  
We are only one in the same  
In pleasure and

Pain  
My weakest pleasure

Deranged  
And a sense of abandon  
Tame  
In the wake of a tyrant  
Survive in the aftermath  
Nothing comes after that  
Moment of fiction and friction is  
Truth

I am aware that Iâ€™m vicious

We are all the light of the sun and the moon  
And we will be the same as one  
You are just a reflection of all that you see  
And you are always alive in me  
I am just a piece of perfection in you  
I see your eyes and you see it too  
We are only one in the same

Pleasure and pain
