

# Unholy (feat. Bobby Saint)

Wolfgang Gartner

Feels so good to be  
Said feels so good to be  
Said feels so good to be  
Unholy

Hallelujah Amen  
Me and my voodoo queen (ye-aaah!)  
Are going up Mt. Sinai  
Preaching all night  
She got me preaching all night

Float me down your river  
Let me get to your sea  
I may be blind, but I see your color  
Go ahead, take advantage of me

Feels so good to be  
Unholy, unholy  
Gotta be unholy (oooh-ah!)  
Gotta be, gotta be

Unholy
