

Jaimme's Got A Gal

You Am I

Jaimme's got a girl
Don't think things are gonna be the same.
He ain't coming out and drinking tonight.
Think he's gonna change his name.
We can't work it out.
He ain't punching walls anymore.
I'm ain't gonna wake up now
Find you on my floor.
A game's a game, you don't want it being the same
But you sure ain't like you were yesterday
But go on and try it
And if it's true, it just ain't my place to say
But you sure ain't like you were yesterday.
Go on and try it. Phone sure sounds dead
My pocket sure feel tight
The things I promised not to do with you today
I sure need to tonight.
But it's all working out
Just like they said it would be.
You ain't gonna fall on my floor
From now on it's just we three.
