Burn

Crown the Empire

Advisory - the following lyrics contain explicit language:

We, we don't have to worry about nothing (nothing, nothing),
Cause we got the fire,
And we're burning one hell of a something (something, something).
They, they gonna see us from outer space, outer space,
Light it up, like we're the stars of the human race, human race.When the lights turned down, they don't know what they heard,
Strike the match, play it loud, giving love to the world.
We'll be raising our hands, shining up to the sky,
Cause we got the fire, fire, fire,
Yeah, we got the fire, fire, fire.And we gonna let it burn,
Yeah, we gonna let it burn.
We gonna let it burn,
Yeah, we gonna let it burn.
Burn away, burn!We don't wanna leave, no, we just gonna be right now (right now, right now).
And what we see,
Is everybody's on the floor, acting crazy, getting loco to the lights out.
Music's on, I'm waking up,
We stop the vibe, and we bump it up.
And it's over now, we got the love,
There's no secret now, there's no secret now.When the lights turned down, they don't know what they heard,
Strike the match, play it loud, giving love to the world.
We'll be raising our hands, shining up to the sky,
Cause we got the fire, fire, fire,
Yeah, we got the fire, fire, fire.And we gonna let it burn,
Yeah, we gonna let it burn.
We gonna let it burn,
Yeah, we gonna let it burn.
Gonna let it burn!We can light it up, up, up,
So they can't put it out, out, out.
We can light it up, up, up,
So they can't put it out, out, out.
We can light it up, up, up!When the lights turned down, they don't know what they heard,

Strike the match, play it loud, giving love to the world.
We'll be raising our hands, shining up to the sky,
Cause we got the fire, fire, fire,
Yeah, we got the fire, fire, fire.We gonna let it burn,
Gonna let it burn.
We gonna let it burn,
We gonna let it burn.
Gonna let it burn!Yeah, we got the fire, fire, fire,
Yeah, we got the fire, fire, fire (we gonna let it burn)
Yeah, we got the fire, fire, fire (we gonna let it burn)
Yeah, we got the fire, fire, fire (we gonna let it burn)Yeah, we got the fire, fire, fire,
Yeah, we got the fire, fire, fire,
Yeah, we got the fire, fire, fire,
Yeah, we got the fire, fire, fire.
