

# Emmaline

## Bodyjar

What was the place that it all began?  
I know it welcomes me in like no other house can  
Would I be lying if I said I didn't need it, said I never need it?  
Gonna get drunk and stay all nightHey Emmaline, you'll be looking forever  
Hey, you'll never find  
You'll be looking forever, looking foreverWake you at nine you've been up all night  
Making you coffee, we're leaving in five you'll be alright  
And sitting 'round is fine but I hope we're gonna make it  
Know we're gonna make it  
It's somewhere to go and come home toHey Emmaline, you'll be looking forever  
Hey, you'll never find, you'll be looking forever  
Hey Emmaline, you'll be looking forever  
Hey, you'll never find  
You'll be looking forever, looking foreverI can't wait here  
Oliver's here this time  
All of us here on timeHey Emmaline, you'll be looking forever  
Hey, you'll never find, you'll be looking forever  
Hey Emmaline, you'll be looking forever  
Hey, you'll never find  
You'll be looking forever, looking forever
