

Lean Back (Spontaneous) [feat. Dion Davis]

Capital City Music

You will never leave
Your love sustaining me
Before I even knew what love was You've brought me here to rest
And given me space to breathe
So I'll stay still until it sinks in I will lean back in the loving arms of a beautiful Father
Breathe deep and know that He is good
He's a love like no other And you will never leave
Your love sustaining me
Before I even knew what love was You've brought me here to rest
And given me space to breathe
So I'll stay still until it sinks in
I will lean back in the loving arms of a beautiful Father
Breathe deep and know that He is good
He's a love like no other Now I can see Your love is better
Than all the others that I've seen
I am breathing deep all of Your goodness
Your loving-kindness to me Now I can see Your love is better
Than all the others that I've seen
I am breathing deep all of Your goodness
Your loving-kindness to me Now I can see Your love is better
Than all the others that I've seen
I am breathing deep all of Your goodness
Your loving-kindness to me I will lean back in the loving arms of a beautiful Father
Breathe deep and know that He is good
He's a love like no other
I will lean back in the loving arms of a beautiful Father
