

# Out To Pasture

## Mudvayne

Like a worm boring through cinders and rock and ash I think I need a broom  
To sweep away the day cleanse us of the shame we're in I'm in  
Like a stray with the mange runs and lies and man  
I think I need to bathe to wash away the day  
Cleanse us of the past and rid me of the taste[Chorus]  
You keep leading me you keep driving me you keep pushing me out to pasture to graze  
Can't keep strangling cant keep ignoring me cant keep judging me  
Climbing a clock tower you keep telling us  
You keep shoving us you keep forcing us out to pasture to graze  
You stopped listening you stopped listening you stopped hearing me  
So I'm loading my gunLike a bum sifting through dumpsters and trash and garbage  
I think I need some food I've starved away all day  
Cleanse us of the hunger we're in  
I'm in like a snake sliding through sand and the dirt and desert I think I need a tomb  
To blacken out the day peel me from the sun and keep me in my place[Chorus]It seems to me there are so many  
things they don't want to share  
Now doesn't that seem strange it seems to me  
It's all for one but doesn't it seem strange that no one's for none  
Not you not me no one and doesn't it seem strange that we don't know a thing  
Doesn't it feel the same as the cattle out to grazeDon't you think it's strange that we can't find our way  
Don't you feel the same doesn't it seem strange that we don't know a thing  
Doesn't it feel the same as the cattle out to graze  
Don't you think it's strange that we cant find our way don't you feel the same[Chorus]
