

# You're All I Am

## Foreigner

I never knew a man could be so lonely  
That life would treat a man so wrong.  
But when the odds were all against me  
You gave me the strength to carry on.

You gave me a new start  
So, I will give you my heart.

You! You, are my life; you're all I am.  
Only you; can understand the way I am.

You never give me enough of your love.  
I need more and more each day.  
Honey, can't you see; the only thing I can be sure of  
Is that something real has come my way.

Ooh, so I believe my heart  
Though sometimes, it tears me apart.

You! You are my life; you're all I am.  
Baby it's you. You are my life you're all I am.  
Only you; can understand the way I am.  
You know I live my life for?  
You! You are my life; you're all I am.  
Ooo, Baby it's true  
You are my life; you're all I am.  
Only you; can understand the way I am.
