When We Say (juicebox)

Aj Rafael

somethin bout the way
somethin bout the way you look
in my eyes
you make everything so damn easy
so easy that i dont got to worry bout a thingand baby when we touch
all i can see is the image of us
sitting by the ocean
just before the dusk
sippin on a juice box and
sand between our toesthis is the part when we say were in love
and the part where we have our first kiss
but this ain't a movie
i know you cant come with me
you got your life
he better be treatin you rightjust tell me you dont love me
tell me you dont feel the same way that i do
tell me i dont make you smile
like i do when you walk in the room
you're so hard to let gothis is the part when we say were in love
and the part where we say it's forever
but this ain't a fantasy
i know you can't come with me
you got your life
he better be treatin you rightthis hurts so much to know that you're
with someone else when you should be w me
its just hard to accept that i cant be around
he better be treatin you good
i'm no einstein but i know a sign
when i see one
and i know you love me too
