Stupid Boy

Cassadee Pope

Well, she was precious like a flower
She grew wild, wild but innocent
A perfect prayer in a desperate hour
She was everything beautiful and differentStupid boy, you can't fence that in
Stupid boy, it's like holding back the wind
She laid her heart and soul right in your hands
And you stole her every dream and you crushed her plans
She never even knew she had a choice and that's what happens
When the only voice she hears is telling her she can't
Stupid boy, stupid boy
OhSo what made you think you could take a life
And just push it push it around
I guess to build yourself up so high
You had to take her and break her downShe laid her heart and soul right in your hands
And you stole her every dream and you crushed her plans
She never even knew she had a choice and that's what happens
When the only voice she hears is telling her she can't
You stupid boyOh, you always had to be right but now you've lost
The only thing that ever made you feel alive
Yeah, yeahWell, she laid her heart and soul right in your hands
And you stole her every dream and you crushed her plans
Yes, you did
She never even knew she had a choice and that's what happens
When the only voice she hears is telling her she can't
You stupid boy, oh, I'm the same old
Same old stupid boyIt took awhile for her to figure out she could run
But when she did, she was long gone, long goneAh, she's gone, she's long gone.
Yes, she's goneNobody's ever gonna love me like she loved me
And she loved me, she loved me
God please, just let her know
I'm sorry, I'm sorry
I'm sorry, I'm sorry
Baby, yeah, I'm down on my knees
She's never coming back to me
