

Glow in the dark jesus

Cottonwood Firing Squad

i feel like i am waking up
from the longest dream iâ€™ve ever known
i feel like i am checking out
from the dream i used to call my home

so wake up
and kiss the world goodbye
there ainâ€™t no need to try
no more

i feel iâ€™m barely hanginâ€™ on
i donâ€™t think iâ€™ll ever let go
i know it ainâ€™t my thanks to preach
â€™cause it ainâ€™t nobodyâ€™s problem but my own

so wake up
and kiss the world goodbye
there ainâ€™t no need to try
no more
