Craft Spells

God broke the mold when he made this one I know
She's breathtaking but so much more
She walks in the room, your lungs closed
Making you never want to breathe again Her boyfriend has got so much dough
So much ice his neck and wrist froze
Is he faithful to her? Hell no
But she choose to be with him, shorty Tell me is the money worth your soul?
Tell me what's the reason that you
Hold on when you know that dude
Has a whole wall of 'em just like you? And girl you're just way too fine
Got to be treated as one of a kind
Girl use your mind, don't be just another dime
Because I can't take
Seeing you with him
'Cuz I know exactly what you'll be
In his gallery Just not fair
And it's tearing me apart
You're just another priceless work of art
In his gallery She's so confused, she knows she deserves more
Someone who will love and adore
But his money's hard to ignore
She really doesn't know what to do Girl it's just a matter of time
Before he finds another more fine
After he's done dulling your shine
You're out the door and he's through with you Tell me is the money worth your soul?
Tell me what's the reason that you
Hold on when you know that dude
Has a whole wall of 'em just like you? And girl you're just way too fine
Gotta be treated as one of a kind
Girl use your mind
Don't be just another dime I can't take
Seeing you with him
'Cuz I know exactly what you'll be
In his gallery Just not fair
And it's tearing me apart
You're just another priceless work of art
In his gallery You're a masterpiece
I know that he
Can't appreciate your beauty

Don't let him cheapen you
He don't see you like I do
Beautiful not just for show
It's time that someone lets you know I can't take
Seeing you with him
'Cuz I know exactly what you'll be
In his gallery Just not fair
And it's tearing me apart
You're just another priceless work of art I can't take
Seeing you with him
'Cuz I know exactly what you'll be
In his gallery Just not fair
And it's tearing me apart
You're just another priceless work of art
In his gallery
