

It's Goin' Down (Album In Stores Soon Remix)

Linkin Park

The cycle repeated
As explosions broke in the sky
All that I needed
Was the one thing I couldn't find
And you were there at the turn
Waiting to let me know We're building it up
To break it back down
We're building it up
To burn it down
We can't wait
To burn it to the ground The colors conflicted
As the flames, climbed into the clouds
I wanted to fix this
But couldn't stop from tearing it down
And you were there at the turn
Caught in the burning glow
And I was there at the turn
Waiting to let you know We're building it up
To break it back down
We're building it up
To burn it down
We can't wait
To burn it to the ground You told me yes
You held me high
And I believed when you told that lie
I played soldier, you played king
And struck me down, when I kissed that ring
You lost that right, to hold that crown
I built you up, but you let me down
So when you fall, I'll take my turn
And fan the flames
As your blazes burn And you were there at the turn
Waiting to let me know We're building it up
To break it back down
We're building it up
To burn it down
We can't wait
To burn it to the ground When you fall, I'll take my turn
And fan the flames

As your blazes burnWe can't wait
To burn it to the groundWhen you fall, I'll take my turn
And fan the flames
As your blazes burnWe can't wait
To burn it to the ground
