

Yesterday Girl (Smithereens - WNEW 10/17/99)

The Smithereens

I never think about the future
I just live for today
And if you want a ready answer
I've got nothing to say
So please don't bother talking to me
I'll just disappoint you
Because I'm quite content to sit right here
With nothing to do

Well, I'm not the same guy that you used to know
I used to be the guy that had someplace to go
But that was yesterday girl, yesterday girl
Yesterday girl, yesterday girl
And you're my yesterday girl, yesterday girl
Yesterday girl, yesterday girl

I never wanna find an answer 'cause
I don't like the truth
And if I find just what I'm looking for
I've something to lose
So please don't go and ask me questions
I just won't feel the same
(I'll do what you say, doesn't matter anyway)
And when I think about religion

Well, there's no one to blame
(I'll agree with you, doesn't matter what I do)
Well I'm not the same guy that you used to know
I used to be that certain fella with someplace to go
But that was yesterday girl, yesterday girl
Yesterday girl, yesterday girl
And you're my yesterday girl, yesterday girl
Yesterday girl, yesterday girl

Hey, yeah

Tell me something new, then I might agree with you
I live for today and not yesterday

I never think about the future

I just live for today
And if you want an easy answer
I've got nothing to say
Now I'm not the singer that you used to know
I used to be the guy that had someplace to go
But that was yesterday girl, yesterday girl
Yesterday girl, yesterday girl
And you're my yesterday girl, yesterday girl
Yesterday girl, yesterday girl
