Baby Blue

Shannon and The Clams

My baby blue, doesn't love you
He loves no one.
My baby blue, I wish I knew where your heart gone.
When you see his eyes again, please take a look for me.
'Cause there's nothing in his eyes,
Nothing in his eyes (x2)
Nothing for me now.Little boy blue, what happened to you while I was gone?
I wish I knew, what I could do to make your heart strong.
When you see his heart again, please take a look for me.
'Cause there's nothing in his eyes,
Nothing in his eyes (x2)
Nothing for me now.My baby blue, what happened, what happened to you?
My baby blue,
What happened (x7) to you?My baby blue, how do you do in your new life?
To think of you after rooting for you in your new land.
My baby blue, how do you do in your new life?
Still think of you after rooting for you in your new land.
My baby blue, how do you do in your new life?
