

# Postal Blowfish

Albert Hammond, Jr.

noticing the change  
We are taking time  
Everybody knows  
Everybody's fine  
And we'll figure out  
Purpose in the end  
Unless we have to jump  
Unless we have to swim  
Chorus: hold your tongue  
Brace yourself  
Give me a kiss  
Show me what i missed  
Can i find a phone  
Can i drop a dime  
Can i get a loan  
Running out of time  
And i'll have a toast  
To what it's all about  
Unless they move us on  
Unless they move us out  
Seven dogs hung to dry  
It works that way  
Postal blowfish make me cry  
It works that way  
Begging on the nail don't fail  
To clue me in  
??cluster frogs and crabs begin??
