Washed Away | Official

Eyes on the Shore

This time
Three Days
I lost
Your faith
Your trust
My words
Distort your world
I'm not
Okay
Just lost
My way
Oh god
I learned
But lost
Your world
I'm nothing

[chorus]
I'm not perfect, promises drifting away
Time fears nothing, honesty's losing its name

This time
Three days
I lost
Your pretty face
My world's
Been torn in two
I'm down
And bruised
I'm not okay
Just washed away
I toss
And turn
To you
My word means nothing

[chorus] x 2
