

Old Yellow Moon

Emmylou Harris & Rodney Crowell

We are
Counting the stars
Out in the night
Round an old yellow moon With you
Right by my side
I got nothing to hide
From an old yellow moon And now
As I turn back the years
So little I've learned
About heartache and tears [Chorus]
But still
I'm making my way
Into the heart
Of an unknown highway We are
Following stars
Way cross the sky
Round an old yellow moon [Chorus] We are
Counting the stars
Out in the night
Round an old yellow moon Out in the night
Round an old yellow moon
