

# I Just Can't Wait to Be King

Elton John

Way behind the water hole  
A little down the line  
The jungle and the plains and peaks  
Are scheduled to be mine I'm gonna be the ruler  
Of most everything around  
From the grandest of the mountains  
To the humble common ground My reign will be a super awesome thing  
Oh, I just can't wait to be king I'm gonna be a noble king  
Unscrupulously fair  
I only need a little time  
Perhaps a little hair I'm gonna be the mane event  
Like no king was before  
I'm brushing up on looking down  
I'm working on my roar The fauna and the flora gonna swing  
Oh, I just can't wait to be king No one saying do this  
No one saying be there  
No one saying stop that  
No one saying see here  
Free to run around all day  
I'll be free to do it my way No one saying do this  
No one saying be there  
No one saying stop that  
No one saying see here  
Free to run around all day  
Free to do it my way The time has come as someone said  
To talk of many things  
May be true  
But I would rather stick to talking kings It's easy to be royal  
If you're already leonine  
It isn't just my right  
Even my left will be divine The monarchy is waiting to go zing  
Oh, I just can't wait to be king  
Oh, I just can't wait to be king
