Under My Skin

Lovebugs

Saturday night, I was looking for trouble
Could find no one who would put up a fight
Went to a club and saw you dirty dancing
Despite myself I fell in love at first sightCome on, come on, come on get under my skin
Come on, come on inject my desire
Come on, come on, come on get under my skin
Come on, come on, my inside's on fire for youI'm begging you, baby, please
You see I'm down on my knees
Don't be cruel, stop your big tease
Big tease, big tease, yeahSunday morning and I feel like a football
Kicked around and bent right out of shape
I won't give up, no, I won't give in easy
I've got to get you, yeah, make no mistake no more
