

# Time Of My Life

## Toploader

Sitting in the summer sun  
Binding my time  
Waiting for the demons to go away  
No one knows when they come  
Or when they're gonna go away  
As long as they do were OK, yes were alright

[Chorus]

Cause I had the time of my life  
Show me some love tonight  
You know I'll treat you right  
Cause I had the time of my life

Woke up in the morning rain  
God knows were I slept again  
No recollection of the night  
Oh God what's this I see lying next to me  
With a smile on your face  
Were alright, yes were alright

[Chorus]

oh yeah yeah  
Yeah Yeah

Yeah yeah yeah  
Yeah were alright, yeah  
Yes were alright

[Chorus: x2]

I had the time [Repeat: x4]  
I had the time of my life  
I had the time [Repeat: x4]  
I had the time of my life
