You Are

Emma Bunton

All the simple things that you do to me make me feel so right
I've been waiting for a man like you for all my life
The way you hold me close is like I'm dancing alone I don't wanna let go
I've been hoping for some loving like this every night
Something about the way you are
Something about the way that you've been making me feel
'Cause I love the way that you are, you are
Always thinking about my baby
Always wishing that you're here right next to me
'Cause I love the way that you are, you are
Even when I'm down, you change my mood around
Just by way in you, loving you so easy, easy do
Even when you're gone, I can feel your warmth like the morning sun
I wanna thank you for the love you bring to my life
Something about the way you are
Something about the way that you've been making me feel
'Cause I love the way that you are, you are
Always thinking about my baby
Always wishing that you're here right next to me
'Cause I love the way that you are, you are
I've been hoping for some loving like this every night
Something about the way you are
Something about the way that you've been making me feel
'Cause I love the way that you are, you are
Always thinking about my baby
Always wishing that you're here right next to me
'Cause I love the way that you are, you are
Something about the way you are
Something about the way that you've been making me feel
'Cause I love the way that you are, you are
Always thinking about my baby
Always wishing that you're here right next to me
'Cause I love the way that you are, you are
