Someone Worse Off

McCarthy

I'm slowly being dragged
I'm so low
But I will never bid
I'm so lowThere's only one cure
To kill misery
There's one cure
There's one cure
But I feel so low
There's someone worse off
There's someone worse offSome people make believe that it's love
And other people say that it's lies
But I know it's hate
My heart is a stone
There's one cure
There's no cure
But I feel so lowThere's someone worse off
There's always someone much worse offThere's someone worse off
There's always someone much worse off
The magazine's a new sin
I'm not getting dragged down to me
People sending strings
They're dragged down to meThere's someone worse off
There's always someone much worse off
