

# Everytime We Touch (Long Version)

Maggie Reilly

A shooting star fell down to earth  
Lightning cracked the sky  
Something weird is happening  
Something I can't deny A strange kind of magic  
Running through my brain  
Feel I'm in heaven  
Or going insane 'Cause everytime we touch  
I get this feeling  
And everytime we kiss  
I swear, I could fly Can't you hear my heart beat fast  
I want this to last  
Need you by my side 'Cause everytime we touch  
I feel the static  
And everytime we kiss  
I reach for the sky Can't you hear my heart beat so  
I can't let you go  
Want you in my life The wind was like a hurricane  
Storm clouds filled the sky  
I heard a crash of thunder  
The earth shook in reply A strange kind of magic  
Running through my brain  
Feel like I'm in heaven  
Or going insane 'Cause everytime we touch  
I get this feeling  
And everytime we kiss  
I swear, I could fly Can't you hear my heart beat fast  
I want this to last  
Need you by my side 'Cause everytime we touch  
I feel the static  
And everytime we kiss  
I reach for the sky Can't you hear my heart beat so  
I can't let you go  
Want you in my life 'Cause everytime we touch  
I get this feeling  
And everytime we kiss  
I swear, I could fly Can't you hear my heart beat fast  
I want this to last  
Need you by my side 'Cause everytime we touch  
I feel the static

And everytime we kiss  
I reach for the sky Can't you hear my heart beat so  
I can't let you go  
Want you in my life 'Cause everytime we touch  
I get this feeling  
And everytime we kiss  
I swear, I could fly Can't you hear my heart beat fast
