

# If It Happens Again

UB40

If it happens again  
I'm leavin'  
I'll pack up my things and go  
If it happens again  
There'll be no lookin' back  
An' I won't say I told you so  
I won't say I told you so You did what you were told  
And you took the strain  
Been left out in the cold  
Got yourself to blame But believe me  
If it happens again, I'm leavin'  
If it stays the same, I'm gone  
When you're stabbed in the back  
And there's salt in the wound  
Then it's time to move along If it happens again  
I'm leavin'  
I'll pack up my things and go  
If it happens again  
There'll be no lookin' back  
An' I won't say I told you so  
I won't say I told you so No more spanners in the work  
All the works been done  
Your face rubbed in the dirt  
On show for everyone But believe me  
If it happens again, I'm leavin'  
If it stays the same, I'm gone  
When compromise is the song that you sing  
It's been going on too long If it happens again  
I'm leavin'  
I'll pack up my things and go  
If it happens again  
There'll be no lookin' back  
An' I won't say I told you so  
I won't say I told you so If it happens again  
I'm leavin'  
I'll pack up my things and go  
If it happens again  
There'll be no lookin' back  
An' I won't say I told you so

I won't say I told you so  
If it happens again  
I'm leavin'  
I'll pack up my things and go  
If it happens again  
There'll be no lookin' back  
An' I won't say I told you so  
I won't say I told you so
