

Come Back To Me

[Jerrod Niemann](#)

Whoa
Come back to me
Whoa
Come back to me We say we're good as gone
But then we cross those lines we've drawn
Its like we're taking turns
Throwin' matches at a bridge that will not burn So won't cha come back to me,
Come back to me, come back to me
Come back to me
You win
Come back to me, come back to me, come back to me
Come back to me
Again whoa
Come back to me
whoa
Come back to me Is this love or just a game
We hide the passion, crave the pain
And in the midst of slamming doors
I'm back in your arms wondering what we're fighting for So won't cha come back to me,
Come back to me,
come back to me,
Come back to me,
You win
Come back to me,
come back to me,
come back to me,
Come back to me,
Again whoa
Come back to me
whoa
Come back to me Come back to me,
come back to me,
come back to me,
come back to me,
You win Come back to me,
come back to me,
come back to me,
Come back to me Come back to me,
come back to me,

come back to me,
Come back to me,
You winCome back to me,
come back to me,
come back to me,
come back to me,
AgainCome back to me,
Come back to me,
Come back to me,
Come back to me,
Come back to me,
Come back to me,
Come back to me,
Come back to me,
Again,
You win,
You, yeah, you
