He Put a Song In My Heart

Sebastian Demrey

You've come to bring me down
Once again you push me aside
But this time I won't hit the ground
No doubt you're wasting your time
Your timeWas blind but now I see
That I don't need you any more
From your lies I've been set free
A new life has entered my soul
My soulCHORUSSorry you've lost
There's nothing you could ever do
To change my mindCause he put a song in my heart so I can stand up and scream from the top of my lungs
Jesus is alive and he's taking me home beyond the sun
Don't bother trying to take me out, you're wasting your timeNo matter what you say
In him my soul will abide
I'll never be afraid
'Cause he's right there by my side
(He's right there by my side)
By my sideCHORUS(Sorry you've lost)
Sorry you've lost
There's nothing you could ever do
To change my mindCause he put a song in my heart so I can stand up and scream from the top of my lungs
Jesus is alive and he's taking me home beyond the sunTaking me home, taking me home beyond the sun
My God is taking me home, taking me home
Taking me home, taking me home beyond the sun
You're wasting your time, he's taking me homeWell he put a song in my heart so I can stand up and scream from the top of my lungs
Jesus is alive and he's taking me home beyond the sun
Don't bother trying to take me out(He put a song in my heart so I can stand up and scream from the top of my lungs)
Yes he's alive and he's taking me home beyond the sun
Don't bother trying to take me out
(Don't bother trying to take me out)
You're wasting your time
