Runnin' Outta Moonlight (Lyric Video)

Randy Houser

Don't you worry bout gettin' fixed up
When you wake up your pretty enough
Look out your window at the cloud of dust
That's my head lights, that's my truck
Come on baby don't you keep me waiting
I gotta go I got a reservation,
Tailgate for two underneath the stars
Kiss on your lips when your in my armsWhoa
Girl Every now and then you get a night like this
Whoa
This is one that we don't wanna miss, no
Come on baby let me take you on a night ride
Windows down, sittin' on my side
Tick tock now were knocking on midnight
Me and you girl runnin' outta moonlight
I wanna hold you till the break of dawn
Hear the crickets sing a riverside love song
Hey baby all we got is all night
Come on now were runnin' outta moonlightGirl I bet you thought I lost my mind
Outta the blue pulling into your drive
Wonder why I got you way out here
Have you ever seen a sky this clearWhoa
Girl you never look better then you do right now
Whoa
Oh heaven let your light shine down
Come on baby let me take you on a night ride
Windows down, sittin' on my side
Tick tock now were knocking on midnight
Me and you girl runnin' outta moonlight
I wanna hold you till the break of dawn
Hear the crickets sing a riverside love song
Hey baby all we got is all night
Come on now were runnin' outta moonlightWhoa
Girl Every now and then you get a night like this
Whoa
This is one that we don't wanna miss, noCome on baby let me take you on a night ride
Windows down, sittin' on my side
Tick tock now were knocking on midnight
Me and you girl runnin' outta moonlight

I wanna hold you till the break of dawn
Hear the crickets sing a riverside love song
Hey baby all we got is all night
Come on now were runnin' outta moonlightHey baby don't it feel so right
Come on now were runnin' outta moonlight
All I wanna do is hold you tight
Come on, come on, come on were runnin' outta moonlightWhoa
Ya were runnin' outta moonlight
Whoa
