

# Breathe On Me

## Conrad Miller

Breathe on me - Conrad Miller

Breathe on me, breathe on me. Let your holy spirit cover me  
My mind and soul are willing but my flesh is sometimes weak  
Lord anoint me with your spirit breathe on me.

Solo 1:

There are times when I can sense you, Jesus itâ€™s as if you are standing right here next to me  
Directing my path guiding every footstep, trying to ensure that, I donâ€™t lose my way

(So) Breathe on me, breathe on me. Let your holy spirit cover me  
My mind and soul are willing but my flesh is sometimes weak  
Lord anoint me with your spirit breathe on me.

Solo 2:

There are times when I can hear you, whisper in my ear lord, directing what I do and say  
All I need to do, is follow what you say Lord, cause you light my way Lord  
Yes you made a way for me

But the path you go it aint easy, sometimes I still stray away  
But thereâ€™s comfort Lord in knowing you welcome me back day after day

So Iâ€™m asking you

Breathe on me, breathe on me. Let your holy spirit cover me  
My mind and soul are willing but my flesh is sometimes weak  
Lord anoint me with your spirit breathe on me.

But the path you go it ainâ€™t easy, sometimes we still stray away  
But thereâ€™s comfort Lord in knowing, you welcome us back day after day

Solo 3:

Lord I read your Word, study your commandments.. and I understand that, you already made a way for me. All I need to do is follow what you say Lord, cause you light my way Lord, yes you made a way for me

Breathe on me, breathe on me. Let your holy spirit cover me  
My mind and soul are willing but my flesh is sometimes weak  
Lord anoint me with your spirit breathe on me.. (2x)
