

You And I

George Michael

A desert road from Vegas to nowhere
Someplace better than where you've been
A coffee machine that needs some fixin'
In a little cafe just around the bend
I am calling you
Can't you hear me?
I am calling you, ooh
I am calling you
Can't you hear me?
I am calling you
A desert road from Vegas to nowhere

Someplace better than where you've been
A coffee machine that needs some fixin'
In a little cafe just around the bend
A hot dry wind blows right through me
The baby's crying, so I can't sleep
But, we both know the change is coming
Come in closer, sweet release
I am calling you
Can't you hear me?
I am calling you, ooh no no
Desert road from Vegas to nowhere
