

# Monster (RAC Remix)

## You Say Party! We Say Die!

Turns up when you're outside  
'Cause inside you're in night time  
Everywhere is frightenin'  
There's something you are needin' to find  
The pressure's grassin' you down  
That ragin' monster pullin' you around  
It wants to rip our skins apart  
Tear out the strings connected to our hearts  
Our hearts, our hearts  
Evil gladder eyelids  
Groovy wears us on her mouth  
Tremblin' when we see her  
Run and hide, she's comin' around to  
Tear out the strings  
Tear out the strings  
Connected to our hearts  
Tear out the strings  
Tear out the strings  
Tear out the strings  
Connected to our hearts  
Our hearts  
(Tear out the strings)  
(Tear out the strings)  
(Tear out the strings)  
Our hearts  
(Tear out the strings)  
(Tear out the strings)  
(Tear out the strings)  
Our hearts  
You wait of yourself  
That crowded you in  
Dark clouds come around  
In hope of a home  
Your body grew wider  
The moon would slow down  
Delusions of dying  
Make sense in your head  
The hair grew in thick  
Your tongue's reached in  
The venom fought hard  
To poison our hearts  
Delusions of dying  
Make sense in your head  
But you're better than that  
You're better than that  
Tear out, tear out  
The web remain protects us  
They're both the muscle shelter  
But it's our blood that mends us  
It's our blood that mends us  
The web remain protects us

They're both the muscle shelter  
But it's our blood that mends us  
It's our blood that mends us
