James Carter

And I don't know where to find you
I want to
I don't know how I lost you
but I know
somehow I lost myself
saving you when I needed help
somehow I lost myself
falling in love with youbut all I know is you're my Romeo
my knight in shining armour
all I wanna do is stay with you
forever and ever
forever and ever
forever and ever
I don't know why I left you
I need you
and I was so worried that
I scared you away dear
and I don't know why
you love me baby
thank you for knowing I'm not crazysomehow I lost myself
saving you when I needed help
somehow I lost myself
falling in love with you
but all I know is you're my Romeo
my knight in shining armour
all I wanna do is stay with you (I'm not crazy)
forever and ever
but all I know is you're my Romeo
my knight in shining armour
all I wanna do is stay with you (I'm not crazy)
forever and everbut all I know is you're my Romeo
my knight in shining armour
all I wanna do is stay with you (I'm not crazy)
forever and everbut all I know is you're my Romeo
my knight in shining armour
all I wanna do is stay with you
forever and ever
