Unbreakable

Jade Valerie

I watch, wait, wish
Suddenly you could feel
Finally how long, how deep
Waiting for you
I pound, pound, and I pound
At your gates
Run, run, and run
Where it's too late
You don't see me waiting, waiting
For you, you, you...(Caught in your spell)
Do you think you're unstoppable?
(Caught in your spell)
Don't you know who I am?
(Caught in your spell)
Do you think you're unbreakable?
(Caught in your spell)
Don't you know who I am?My pride, pride, pride's energy
I fall down at your feet
Hopeless, restless
I keep fighting
Cuz your small world's not enough
You're still weaker than my love
One day you'll say
That I am stronger than you, you, you(Caught in your spell)
Do you think you're unstoppable?
(Caught in your spell)
Don't you know who I am?
(Caught in your spell)
Do you think you're unbreakable?
(Caught in your spell)
Don't you know who I am?Do you think you're unbreakable?Cuz your small world's not enough
You're still weaker than my love
One day you'll say that I am stronger than you, you, you...(Caught in your spell)
Do you think you're unstoppable?
(Caught in your spell)
Don't you know who I am?
(Caught in your spell)
Do you think you're unbreakable?
(Caught in your spell)

Don't you know who I am?
