

Blood Stained Valentine

Murderdolls

You're like a bad, bad
Movie on a Saturday night
And somehow i can't close my eyes
The demons were screaming you
And me were meant to be You're like a car crash that i
Can't look away
Cheers to the dead with some
Cheap champagne
Put an arrow through my heart, i
Swear i'll feel no pain L.O.V.E - i love the way
You Posses me
The bloody evidence is left
At the crime scene I could have brought you roses
Or a diamond ring
That's just material things
This day i want you to be mine
I'm your blood stained valentine You're like a bottle of poison
That i can't resist
Connect the dots with the razor
Blade on my wrist
And watch the blood as it drips
From my finger tips L.O.V.E - i love the way
You Posses me
The bloody evidence is left
At the crime scene I could have brought you roses
Or a diamond ring
That's just material things
This day i want you to be mine
I'm your blood stained valentine
