## When In Rome

## **Billy Joel**

Well I see you in the morning

Putting on your pretty clothes

And I watch you do your make-up

Like they do in all those fashion shows Then you turn to me so that I can see

If you put yourself together right

Then you go away and you're gone all day

But I know you're coming home tonightWhen you're home, Darling all you've got to be is you

But when in Rome, do as the Romans doWell it's alright if you're tired

When your day is done

You can see when you look at me

You're not the only oneIt's a cold, cruel world for a working girl

But you can't let them see you cry

It's a fact of life, now a man and wife

Work full time to just get by When we're home, all it's gonna be is me and you

But when in Rome, do as the Romans doI've done some strange things

I never thought I'd do before

But if the strain brings

Happiness, more or lessThen I don't mind masquerading

With all those other fools

I don't mind the games I'm playing

Because I've learned the rulesAnd when times are tough, I've got just enough

If you're standing right by my side

Darling more and more I get hungry for

All the ways you keep me satisfiedOn our own, there ain't nothing that we can't get through

But when in Rome, do as the Romans doSo I don't mind masquerading

With all those other fools

I don't mind the games I'm playing

Because I've learned the rulesIt doesn't matter when we're home, all alone

All we've got to be is me and you

On our own there ain't nothing that we can't get through

But when in Rome, do as the Romans doSwing that hammer and break that stone

Do like the Romans do

Push those buttons and answer that phone

Do like the Romans doCoffee in the morning and martinis at night

Do like the Romans do

Everybody's working up a big appetite

Do like the Romans doWhen in Rome, do like the Romans do

Do like the Romans do

When in Rome, do like the Romans do

## Do like the Romans do When in Rome, do like the Romans do Do like the Romans do
