

Feed His Heart With Coal

Pugwash

9:18 right on time,
Through dawn's sun
The steaming locomotive he will come
And nothing will faze him
Nothing can faze him
A whistle he will blow
To feed his heart with coal
Country lanes and weather vanes
10:05 the steaming locomotive will arrive
And nothing will faze him
Nothing can faze him
A whistle he will blow
To feed his heart with coal
Moonlight vines and sleep aligns
Twilight hours
The sleepy locomotive will retire
And nothing has fazed him
Nothing could faze him
A whistle he did blow
To feed his heart with coal
