

# Music Sounds Better With You (12" Club Mix)

## Stardust

Ooh baby, I feel right  
The music sounds better with you  
Love might bring us both together, I feel so good  
I feel right, the music sounds better with you

Love might bring us both together

Ooh baby, I feel right  
The music sounds better with you  
Love might bring us both together, I feel so good  
I feel right, the music sounds better with you

Love might bring us both together

Ooh, baby, I feel right  
The music sounds better with you  
Love might bring us both together, I feel so good  
I feel right, the music sounds better with you

Love might bring us both together

Ooh, baby, I feel right  
The music sounds better with you  
Love might bring us both together, I feel so good  
I feel right, the music sounds better with you

Love might bring us both together

Ooh, baby, I feel right  
The music sounds better with you  
Love might bring us both together, I feel so good  
I feel right, the music sounds better with you

Love might bring us both together

Ooh, baby, I feel right  
The music sounds better with you  
Love might bring us both together, I feel so good  
I feel right, the music sounds better with you

Love might bring us both together

Ooh, baby, I feel right

The music sounds better with you

Love might bring us both together, I feel so good

I feel right, the music sounds better with you

Love might bring us both together

Ooh, baby, I feel right

The music sounds better with you

Love might bring us both together, I feel so good

I feel right, the music sounds better with you
