

Don't Ask

Blood Red Shoes

Don't ask this time, don't ask the reasons why
You started on two feet and ended on your knees Taking all the cues from the past
Build it into something that doesn't last
Stake it on an empty threat
Can you find the pieces to fit this yet? 'Cause it looks like that you've got more to learn
'Cause it looks like that you've got more to learn
'Cause it looks like that you've got more to learn Don't ask this time, don't ask the reasons why
You started on two feet and ended on your knees
Don't ask this time, don't ask the reasons why
You started on two feet and ended on your knees Fall into the safety of force
Stretching out your hands to grasp
A fragment of a hope to find
I don't see a place left for you to climb 'Cause it looks like that you've got more to learn
'Cause it looks like that you've got more to learn
'Cause it looks like that you've got more to learn Don't ask this time, don't ask the reasons why
You started on two feet and ended on your knees
Don't ask this time, don't ask the reasons why
You started on two feet and ended on your knees
