Don't Ask

Blood Red Shoes

Don't ask this time, don't ask the reasons why
You started on two feet and ended on your kneesTaking all the cues from the past
Build it into something that doesn't last

Stake it on an empty threat

Can you find the pieces to fit this yet?'Cause it looks like that you've got more to learn 'Cause it looks like that you've got more to learn

'Cause it looks like that you've got more to learnDon't ask this time, don't ask the reasons why

You started on two feet and ended on your knees

Don't ask this time, don't ask the reasons why

You started on two feet and ended on your kneesFall into the safety of force

Stretching out your hands to grasp

A fragment of a hope to find

I don't see a place left for you to climb'Cause it looks like that you've got more to learn 'Cause it looks like that you've got more to learn

'Cause it looks like that you've got more to learnDon't ask this time, don't ask the reasons why

You started on two feet and ended on your knees Don't ask this time, don't ask the reasons why You started on two feet and ended on your knees
