ONE MORE NIGHT ALONE

D-Side

Isn't it strange?
Isn't it wrong?
When we've known it for so long
This is insane
We're so right,
But we'll be all alone tonightAnd if I tell you girl the moment that I met you
I knew my life would change and now I can't forget you
You're the one believe me nowChorus:
One more night alone in my bed,
I can't sleep without you
One more night alone in my head,
Can't stop thinking about you.
You're still the one
And I can't live without you
Always the one
We can't have one more night aloneIt's not too late
But it's time
That we both made up our minds
It's okay, it's alright,
There's so much more than one more nightAnd if I tell you girl the moment that I met you
I knew my life would change and now I can't forget you
You're the one believe me nowChorusYou're still the one
And I can't live without you
Always the one
We can't have one more night aloneChorus
