Dot Com

[Usher](#)

VERSE 1:
Ooh, I love the way you dirty type
I can take you home on escape
Ooh, I need your backspace in my life
Thank God you don't have a flat screen

PRE CHORUS:
Please, baby I gotta see you
I really want to please you
So get on my laptop so I can download

CHORUS:
Online, I love the way you log on
We can do it all night, I'll make you dot com
Baby, if you sign on, I'ma make you lights off
Ooh, baby, if you log on, I'll make you dot com

VERSE 2:
I wanted to link up with you, baby at first sight
With you I get to use my f keys (yeah)
I can't wait to give you megabytes
I got all the memory you'll need
Let my fingers do the talking, baby

PRE CHORUS:
Please, baby I gotta see you
I really want to please you
So get on my laptop so I can download (ooh)

CHORUS
Online, I love the way you log on (ooh)
We can do it all night, I'll make you dot com (Gonna make you dot com)
Sign on, I'ma make you lights off (Sign on, Light up)
Baby, if you log on, I'll make you dot com (Yeah)

BRIDGE:
Ooh, baby you want this I know
I can't wait to give you my harddrive
My moonlight, if it's alright, baby (ooh)

I'm always at your window
Ready to shift and control you
If you want me too say yes, baby
Say yes, baby, say yes, baby

HOOK/BREAK DOWN:
Say yes, baby, got to say, ooh
Say yes, baby, say yes, baby
You got to say yes, yes say

PRE CHORUS:
Please, baby I gotta see you
And I really want to please you
So get up on me baby, get up on me (I really want you)

CHORUS WITH AD LIB:
Online, I love the way you log on (Oh baby)
We can do it all night, I'll make you dot com (We can do it all night)
Sign on, I'ma make you lights off (I'm gonna make sure you happy)
Baby, if you log on, I'll make you dot com (Gonna make light up) (Oh I'm gonna make you dot com)

WHILE REPEATING THE CHORUS AGAIN:
Girl, what side do you wanna link up
No doubt, gonna make you wanna log on
I?m gonna make you, gonna make you log on now
