How Does It Feel to Be Free

Reba McEntire

How did it happen
When did we lose it
The love we looked for so long
I'm sorry I called you
But it's the first night you see
How does it feel to be freeHow does it feel now
To reach out for someone
And find there's nobody there
Is it weighing on you
Cause it's sure killing me
Tell me how does it feel to be freeFunny how love is so hard to find
And yet so easy to lose
Maybe in time this old heart of mine
Can learn to be free without youHow did it happen
When did we lose it
The love we looked for so long
I'm sorry I called you
But I just have to see
How does it feel to be free
