Expression

Up Front

something deep inside of me
screams out to be released
all the joy, the pain, the fear
it's like a puzzle to be pieced
these feelings that I have
bottled up deep down inside
I need to put them down on paper
'cause it's something I just can't hideexpression - of the way I feel
deep down inside - I just can't hidesometimes it seems so hard
to express the way we feel
but I'll try my best to express my thoughts
'cause I know that they are for real
these feelings that I have
bottled up deep down inside
I need to scream them loud and clear
'cause it's something I just can't hide
