100 Miles

Bad Company

Hey little girl, I love you so
I'd walk a 100 miles to let you knowHey little baby, your eyes sure shine
When your hand reaches out and touches mine'Cos you're my baby, you're my baby, my little girlHey little
girl, let me kiss your lips

Let me feel you thrill to my fingertips Hey little baby, let me take your hand

Let me lead you to the promised land'Cos you're my baby, you're my baby, my little girlHey little girl, I love you so

I'd walk a 100 miles to let you know Hey little girl, I love you so I'd walk a 100 miles to let you know
