Whip Appeal

Frank Ocean

Somebody told me there'd be trouble at home
'Cause we never talk a lot when we spend time alone
So how are we supposed to know know when somethin' is wrong
Well, we've got a right to communicate it keeps a happy home
And no one does it like me and no that's sure
Has that kind of whip appeal on me
Keep on whippin' on me work it on me
Whip all your sweet sad lovin' me on me
Keep on whippin' on me baby work it on me
Whip all your sweet sad lovin' on me
When we go to work how the day seems so long
The only thing I think about can't wait till we get home
'Cause we got a way of talking and it's better than words
It's the strangest kind of relationship oh but with us it always works
And no one does it like me and no one but you
Has that kind of whip appeal on me
Whatever you want it's alright with me
'Cause you've got that whip appeal so work it on me
It's better than love sweet as can be
You've got that whip appeal so whip it on me babe
Keep on whippin' on me work it on me
Whip all your sweet sad lovin' me on me
Keep on whippin' on me who work it on me

Whip all your sweet sad lovin' on me
'Cause no one does it like me and no one but you
Has that kind of whip appeal on me
Whatever you want it's alright with me
'Cause you've got that whip appeal so work it on me
It's better than love sweet as can be
You've got that whip appeal so whip it on me
Whatever you want it's alright with me
'Cause you've got that whip appeal so work it on me
It's better than love sweet as can be
You've got that whip appeal so whip it on me
Whatever you want it's alright with me
'Cause you've got that whip appeal so work it on me
It's better than love sweet as can be
You've got that whip appeal so whip it on me

Whatever you want it's alright with me
'Cause you've got that whip appeal so work it on me
It's better than love sweet as can be
You've got that whip appeal so whip it on me
Keep on whippin' on me who work it on me
Whip all your sweet sweet lovin' on me
Keep on whippin' on me you work it on me
Whip all your sweet sweet lovin' on me
