I.o.u.

Dappy

Oh I-I owe you,
but how come it's took me this long to say it,
cause I been hiding the truth,
didn't think I'd let you in on this shit,
but you know I wouldn't be here if it wasn't for you,
you see I've tried this on my own
ohh I-I owe you,
imagine if i never got got see you again
I'm gonna bite my tongue next time that you're speakin',
cause you deserve the time of day,
I abuse your kindness with my weakness,
and threw it in your face,
way to go, way to go, what a joke, I'm a joke,
if only you could see how I feel,
you bite your tongue next time that I'm screaming,
see I ain't angry with you, there's no escaping what I've done
I-I hope you, hear these words,
Lord strike me down if any, one of them's untrue,
you are the reason I am what I've become,
I-I owe you even though you don't want nothing,
I owe you one
Hand on heart I don't think there's any other way to say this,
but I admit being a prick didn't do me any favours,
I mean I've been called every name under the
sun's in my eyes, but it feels pitch black inside,
I swear I put you so through much now I couldn't lie to you if I tried,
I admit acting a fool didn't do me any favours,
Imagine if I never got to see you again
I bite my tongue next time that you're speakin',
cause you deserve the time of day
I abuse your kindness with my weakness,
and threw it in your face,

way to go, way to go, what a joke, I'm a joke,
if only you could see how I feel,
you bite your tongue next time that I'm screaming,
see I ain't angry with you, there's no escaping what I've done
I-I hope you, hear these words,
Lord strike me down if any, one of them's untrue,

you are the reason I am what I've become,
I-I owe you even though you don't want nothing,
I owe you one
Ohh, oh oh ohh ohhhhh,
Just be with me, let me, speak to me,
I?m so sorry if I?ve drained you out,
That?s why I love you,
And I hope you?re glad you made me finally see
That I?m nothing without you
Just tell me, I'ma see you again
I swear I'll bite my tongue next time that you're speakin',
cause you deserve the time of day,
I abuse your kindness with my weakness,
and threw it in your face,
way to go, way to go, what a joke, I'm a joke,
if only you could see how I feel,
you bite your tongue next time that I'm screaming,
see I ain't angry with you, there's no escaping what I've done
I-I hope you, hear these words,
Lord strike me down if any, one of them's untrue,
'cause you are the reason I am what I've become,
I-I owe you even though you owe me nothing,
I owe one,
I-I owe you, but you owe me nothing,
cause I owe you one
