

# I Would For You

## Nine Inch Nails

What a pathetic string of words.  
Just leave them lying on the floor.  
The warning posted on the door,  
Not over here, not anymore. There was a place it could have been.  
Step over all it used to be.  
Since you have let yourself come in,  
Somethings I'd rather you not say. See, I keep lying to myself.  
Don't know what else there is to tell.  
If I could be somebody else,  
Well, I think I would for you. Did it seem like something more?  
So long I can't remember when.  
All this has happened once before,  
And this will happen once again. and I only have myself to blame. See, I keep lying to myself.  
Don't know what else there is to tell.  
If I could be somebody else,  
Well, I think I would for you.
