

A Big Hurt

Tin Machine

o meet her once is to know her through and through
I know, I know
But it ain't finished till the fat lady sings
I know, I know How can I help you?
You're just a wanna be
I'm a believer
You're a sex receiver And me with a big hurt
You know I had a big hurt
From the very start I'm hurtin' so bad
'Cause you're my room mate from hell Got to take some blows on the stepping stones
Speak in extremes, it'll save you time
You were a saint abroad but a devil at home
Come on here, wo woo, and kiss it for me To meet her once is to know her through and through
I know, I know
Even a glass eye in a duck's ass can see that
I know, I know I'm hurting so bad
And here come the Indians, ooh Got to take some blows on the stepping stones
Speak in extremes, it'll save you time
You were a saint abroad but a devil at home
Come on here, woo woo, and kiss it for me Kiss it for me!
Woo woo!
Kiss it for me!
Woo woo!
Kiss it for me! Come on here, woo woo!
Kiss it for me!
Kiss it where it counts!
Kiss it for me!
Come on here, woo woo!
Woo woo!
Kiss it for me! I know! I know!
