

Freewheel Burning

Judas Priest

[Incomprehensible]Fast and furious
We ride the universe
To carve a road for us
That slices every curve in sightWe accelerate, no time to hesitate
This load will detonate, whoever would contend its right
Born to lead at breakneck speed
With high octane we're spitting flamesFreewheel burning
Freewheel burningOn we catapult
We're thrusting to the hilt
Unearthing every fault
Go headlong into any dareWe don't accept defeat
We never will retreat
We blaze with scorching heat
Obliterations everywhereBorn to lead at breakneck speed
With high octane we're spitting flamesFreewheel burning
Freewheel burningLook before you leap
Has never been the way we keep
Our road is free
Charging to the top
And never give in never stops
The Way to be
Hold on to the lead
With all your will and then concede
You'll find there's life
With victory on highLook before you leap
Has never been the way we keep
Our road is free
Charging to the top
And never give in never stops
The Way to be
Hold on to the lead
With all your will and then concede
You'll find there's life
With victory
With victory on highFreewheel burning, freewheel burning
Freewheel burning, freewheel burning
Freewheel burning, freewheel burning
Freewheel burning, freewheel burningSomething is burning
