

Lights (feat. Sue McLaren) - Radio Edit

[Paul van Dyk](#)

Caught in the headlights
They burn through my eyes
Lost to an outer state of mind Just as I prepare to land
It pulls me up again
Lost to an outer state of mind and I'm lifted Lights, there's nowhere to run tonight
And I know you'll stop at nothing
You know that I'm hypnotized
Oh Oh lights there's nowhere to run tonight
And I know you'll stop at nothing
Addicted for life
Oh oh lights la la la la la
Lights la la la la la Neon lines and spheres
They drop like the beat
Just as I prepare to land
It pulls me up again
Lost to an outer state of mind and I'm lifted
Lights there's nowhere to run tonight
And I know you'll stop at nothing
You know that I'm hypnotized
Oh Oh Lights there's nowhere to run tonight
And I know you'll stop at nothing
Addicted for life
Oh oh lights la la la la la
Lights la la la la la ... and I know you'll stop at nothing...
